Economy transfer service is a straight transfer service for VHS tapes only, there is no trimming of video, no printing on disc, and its packaged in a paper CD/DVD window envelopes (the disc itself is printable). Because this process records directly to a two-hour DVD, any additional material passed two hours will not be recorded. If you have VHS tapes recorded at the long play mode, they can have six to nine hours recorded on them depending on the videotape. If this is the case, you need our standard or custom transfer package service.
